*To my beloved Family and Friends, I've only stepped up to the next level. Whatever we were to each other, that we still are. Call me by the name that we used to use, speak to me in that same tone that you always used, laugh as we always laughed at the little jokes we enjoyed together, smile and think of me. Pray for me, let my name be forever the household word that it ever was. There should be absolutely no broken continuity. Why should I be out of your mind because I am out of sight? I am waiting to hear from you each day and may the hands of our Friendship extend for days, weeks, months and years.*
